## BEREAN SCHOOL OF THE BIBLE COURSE ORDER FORM

Prices Subject to Change

Please complete all student information on this initial page and the next page pertaining to shipping and handling so we can expedite your order. Note that these courses meet the educational requirements for most Assemblies of God districts, but credentials are issued through the General Council of the Assemblies of God, not through Global University. The credentials committee of your district will make the final decision. Many of the listed courses also count toward diplomas other than ministerial studies. See the catalog for descriptions of these programs. Students have six (6) months to complete a course from the date the order is processed by Global University. A six (6) month extension may be requested for a fee. If a course is not completed within one year, students must pay full tuition to re-enroll in the course. Global University is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools and the Accrediting Commission of the Distance Education and Training Council (DETC).

### INDEPENDENT STUDY TEXT (IST)

All Berean courses are printed in a comprehensive Independent-Study Textbook (IST). The IST is your teacher, textbook, and study guide in one package. The IST is - whether printed, online, or digital - required to complete course.

### RECOMMENDED READING TEXTBOOKS

An optional textbook is recommended for use with each course. The textbook recommended to accompany this course is listed on the cover of the Student Packet or on the first page of the Essential Course Materials section in the back of your IST. Some courses may provide additional suggested reading lists following the reference list.

### MINISTERIAL INTERNSHIP COURSES

The internship courses are comprised of a Student Manual (with accompanying student packet) and a Mentor Manual. Although these manuals mirror each other in structure, the content is not identical. The Student Manual contains instructional information and activities designed to prepare the student for actual ministry. The Mentor Manual contains the student's learning objectives and interactive questions but has mentor to conduct learning sessions with the student. The Mentor Manual is required for each internship and is only available in printed version.
