## Independent-Study Text (IST)

The Independent-Study Textbook (IST) is your teacher, textbook, and study guide in one package. Whether printed, online, or digital, the IST is required to complete the course.

## Recommended Reading Textbook

An optional textbook is recommended for use with each course. The textbook recommended to accompany this course is listed on the cover of the Student Packet or on the first page of the Essential Course Materials section in the back of your IST. Some courses may provide additional suggested reading lists following the reference list.

## Online Course

Global University study guides or ISTs are available online. Even if you order a course in printed format, you will also have access to the IST or study guide online if available. However, the Recommended Reading textbooks or required textbooks for the older study guide courses will need to be purchased in print format as Global University does not own the copyright to these textbooks.

## Digital Course

Global University study guides or ISTs are available to download in PDF format at <http://www.globaluniversity.mobi/>. They are also available in other electronic formats for use on various devices. If you order a course in printed format, you will also have access to the IST as a digital download if available. However, Recommended Reading Textbooks or required textbooks for older study guide courses must be purchased in print format.

## Ministerial Internship Courses

The internship courses are comprised of a Student Manual and a Mentor Manual. Although these manuals mirror each other in structure, the content is not identical. The Student Manual contains instructional information and activities designed to prepare the student for ministry. The Mentor Manual contains the student's learning objectives and interactive questions but has mentor content to conduct learning sessions with the student. The Mentor Manual is required for each internship and is only available in print.

## Nondiscrimination Policy

Global University admits students of any race, color, and national or ethnic origin.
