

GRADUATE-LEVEL DEGREE AUDIT REQUEST (USA)

Please clearly print or type information on this form. Unless otherwise noted the cost of completing a degree audit is \$35

You may request a degree audit to:

1. identify the courses that have been transferred or applied to your current program of study,
2. identify courses you still need in order to complete your program, or,
3. have your official (or unofficial) transcripts from other schools evaluated to determine possible transfer of credit.

Prospective, Current, or Former/Reactivating Student (Please choose only one)

Prospective Student – Unofficial Degree Audit (\$35)

I would like to have an evaluation completed before I decide if I want to submit an application to Global University’s graduate program. NOTE: A \$35 credit may be applied to your student account if you submit a graduate-level application within 90 days along with a copy of your \$35 degree audit receipt.

Current Student

NOTE: If you have recently submitted an application to GU, you do not need to submit this request. A degree audit will be completed upon receipt of your application and official transcripts.

- Original Degree Audit** - This is my first degree audit (no cost)
- Requested Degree Audit:** - I wish to have my original degree audit updated (\$35)
- Change of Program:** - I wish to change my major (\$35)
- Subsequent Program** - I have completed my current program and wish to earn another degree (\$35)
- Graduation Check** - I am within 12 credits of graduating (no cost)

Reactivating Student (requires the Dean’s approval) - I am a former student who wishes to reactivate my studies (\$35)

NOTE: Inactive students resuming their studies must complete the program requirements listed in the current catalog
