Independent-Study Textbook (IST)

The Independent-Study Textbook (IST) is your teacher, textbook, and study guide in one package. The IST (printed, online, or digital) is required to complete the course.

Study Guide

The study guide (SG) is written to accompany an outside textbook. For a course in study guide format, the study guide (printed or digital) and the accompanying textbook (listed on the order form as “required textbook”) are required to complete the course.

Collateral Reading (CRA) Textbook*

A collateral reading textbook may be required to complete a Collateral Reading Assignment (CRA) in order to upgrade the course from 2 credits to 3 credits. The collateral reading textbook is listed on the order form as “CRA textbook.”

Required Textbook

A textbook that may be produced by an outside publisher and is required for completion of a course. All textbooks not produced by GU are only available in PRINT format when ordered from GU. Only GU-produced materials are available in digital format.

Required Reading

Some courses require students to read material accessible on the internet. For students without internet access or who prefer a print version, the required reading is compiled in a print packet available for purchase with course materials.

Digital Course

The Global University IST or study guide will be available to download in PDF format at <http://www.globaluniversity.edu> and for mobile devices at <http://www.globaluniversity.mobi/>. If you order a course in print format, you will also have access to the IST or study guide as a PDF download, if available. Any required textbooks or collateral reading textbooks must be purchased in print format as Global University does not own the copyright to these textbooks.

Services Support Fee

The Services Support fee is required for all degree-level courses (except GUO1011). This fee provides students access to thousands of resources and tools through the Global University library website (<http://library.globaluniversity.edu>).
