A Letter from the

Welcome to Global University!

All of us here at Global are pleased to learn of your interest in our school. We are delighted that you are seeking to prepare yourself for service in God's harvest field. Our catalog provides information concerning who we are, our mission, history, and policies and procedures, as well as our various plans of study. We trust you will identify a program of study to help you prepare for God's call on your life.

A unique aspect of our program is the emphasis on applied learning and ministry through our Service Learning Requirement (SLR). This requirement allows learners to move more rapidly from theory to practical application of what they are learning. In other words, learners benefit from the integration of academic rigor with practical application throughout their studies.

Global University is comprised of four schools providing a seamless approach to study ranging in academic level from certificates (initial evangelism and discipleship courses) through graduate degrees. The four schools are School for Evangelism and Discipleship, Berean School of the Bible (offering adult continuing education courses to equip people for church leadership),

Undergraduate School of Bible and Theology (offering associate and bachelor degrees), and Graduate School of Theology

(offering master of arts and master of divinity degrees). Catalogs for each school are available on our Web site at www.globaluniversity.edu.

Global University's learners benefit from not only increased knowledge through studying course content, but from spiritual growth and increased discipline. Our instructional design helps them gain skills for a lifetime of learning, service, and ministry. Students and alumni fill positions of ministry as teachers, pastors, and missionaries. Others serve as local, district, and national church leaders. They actively work in both open and sensitive locations, fulfilling God's call on their lives to impact eternity where they are and wherever God leads them.

Should you enroll and study with Global University, you will not be studying alone. Instead you will join students studying literally in every time zone of the world. We operate through a worldwide network of 232 offices serving over 300,000 students. We are committed to equipping people for service in churches, schools, and other ministries. As you study, rest assured our extensive University stands ready to assist you in any way we can.

God bless!

A Letter from the

Welcome to the Center for Evangelism and Discipleship. Our desire is to work with you to reach the lost and make disciples. In this 2011 catalog are materials that can be used for personal study, small groups, Sunday school classes, and other means of study to help you accomplish these goals.

Much of our material is free and available on our Web site: www.globalreach.org. The materials, which are geared toward students from preschool through adulthood, are useful for evangelism and personal and group discipleship. We offer a wide variety of lessons to help you mature in the Lord and lead others into closer relationships with Christ. A key element of our ministry is to provide the tools necessary to make you more effective in the work God has called you to do.

I pray that you will find what you seek in these resources. May you be blessed by the Lord as He satisfies and empowers you to improve the world through the gospel of Jesus Christ.

Blessings,

HISTORY

Global University has a distinguished heritage spanning almost six decades. Its rich history is a blending of the achievements of two distance education institutions. This dual foundation of experience adds academic strength to the entity created by the merger of ICI and Berean Universities.

The Assemblies of God Fellowship recognized that not everyone who desired ministerial preparation could attend a residential Bible training institution. Therefore a distance education program for ministerial candidates was begun in 1941. This program developed into the Berean School of the Bible by 1958 and was headquartered in Springfield, Missouri.

In 1967 International Correspondence Institute (ICI) was founded under the auspices of the Division of Foreign Missions. This second distance education school was designed to provide evangelism, discipleship, and workers' training courses as well as bachelor degrees to students all over the world. George M. Flattery, who first envisioned the school, was its founding president. Its offices moved from Missouri to Brussels, Belgium, in 1972 and remained there until 1991.

Both Berean School of the Bible and ICI grew rapidly, adding courses and programs to meet the growing needs of their students. Berean, which was utilizing courses developed by ICI for its degree programs, became Berean College in 1985 and Berean University in 1995. ICI moved from Brussels to Irving, Texas, in 1991 and became ICI University in 1993.

Both institutions remained faithful to their respective missions. Similarity in educational approach, mission, and services made a merger of the two institutions logical. Both universities were making significant advances in electronic delivery via the Internet and other technologies. Rather than duplicating costly delivery systems, a united university would result in better stewardship of technological and human resources. Thomas Trask, General Superintendent of the Assemblies of God at that time, and Executive Director of World Missions L. John Bueno agreed to initiate the merger.

Global University now has four schools: (1) Center for Evangelism and Discipleship, (2) Berean School of the Bible, (3) Undergraduate School of Bible and Theology, and (4) Graduate School of Theology. All of these schools of Global University are truly global in outreach. Students at home and abroad enroll in all levels of study. Global University works closely with Assemblies of God World Missions, U.S. Missions, and other divisions of the General Council.

Global University continues to write new chapters of history as it impacts eternity by winning the lost and training the found—everywhere! This means using various media technologies through anointed courses, curricula, consultation,

and cooperation, equipping people to be Christ's disciples with the help of God to His glory and the expansion of His kingdom.

MISSION OF GLOBAL UNIVERSITY

Global University is a Christian university in the Pentecostal tradition that:

- integrates education and service through a worldwide network for student support.
- provides access to ministerial training from adult continuing education to the graduate level.
- produces curricular materials in multiple languages.
- serves the local church and Christian community through evangelism, discipleship, and leadership training through nonresidential distributed learning methods.

DOCTRINAL STATEMENT

The doctrinal position of Global University is expressed in the following statement of faith.

We believe:

- the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit (Deuteronomy 6:4; Matthew 28:19).
- in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal, future return to this earth in power and glory to rule a thousand years (John 1:1).
- in the blessed hope—the rapture of the Church at Christ's coming (Titus 2:13).
- the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ (John 14:6).
- regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
- in water baptism by immersion (Matthew 28:19).
- the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer (1 Peter 2:24).
- the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.

- in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life (Galatians 5:16–25).
- in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11–15).

ACADEMIC AFFAIRS COMMITTEE

The Global University Academic Affairs Committee is composed of the Provost, the Vice Provost, the Executive Vice President, the Vice President of Global Operations, the Vice President of Evangelism and Discipleship, the deans of the schools, and the directors of academic service areas.

The primary function of the Academic Affairs Committee is the oversight of the educational standards and procedures that apply to the various Global University curricular programs. The Academic Affairs Committee is responsible for decisions that affect the curricula, the faculty, instructional methods and delivery, and graduation requirements.

Of special concern to the Academic Affairs Committee is the recognition of Global University's academic credits, diplomas, and degrees. The committee seeks to maintain the recognition by assuring that instructional materials and programs meet high quality standards. To this end, the committee reviews and approves all educational materials in print, audio, CD-ROM, video, and online delivery formats.

NATIONAL AND REGIONAL DIRECTORS

Global University operates worldwide through a network of national and regional offices. National directors promote, supervise, and coordinate the work of the university within a designated geographical area. They, along with the national office staff, encourage students to pursue and achieve academic excellence.

Regional directors are responsible for students in several countries and assist national directors in carrying out their responsibilities and developing their offices. Global University regional directors and the Board of Administration form the Global Leadership Council. This committee, with the assistance of the International Office staff, meets biannually to review past achievements and develop procedures, goals, and strategies to promote continued improvement and growth.

UNIVERSITY FACULTY

Individuals who serve Global University as faculty are included in the following categories:

RESIDENT FACULTY

Global University resident faculty are those academically qualified individuals serving at the International Office whose activities consist primarily of writing, developing, and teaching courses.

ADJUNCT FACULTY

Adjunct faculty are academically qualified individuals throughout the Global University network who periodically write, facilitate, and evaluate Global University courses in field settings or serve as tutors for students studying independently with the university.

Evangelism Program

More than one hundred thousand people report annually that they have accepted Jesus Christ as personal Savior through the study of Global University evangelism courses. Available in print and audio versions, these evangelism courses are effective for reaching people of various literacy levels. Many courses also have video supplements that add interest and motivation for study. Evangelism and Discipleship material is available as a free download in English, Spanish, French, and Chinese. Go to www.globalreach.org.

THE GREAT QUESTIONS OF LIFE

Did you ever wonder what life is all about and what happens after death? This course is designed for people who want to know more about the nature of God and what is happening to the world.

HIGHLIGHTS IN THE LIFE OF CHRIST

This series of six lessons focuses on the life and ministry of Jesus from His birth to His resurrection.

PATHWAYS FOR TURBULENT TIMES

This evangelism tool was developed especially to reach people with a philosophical, intellectual, and materialistic mind-set. The final chapter presents Jesus Christ as the answer to humanity's quest for satisfaction and fulfillment in life. It is excellent for university student outreaches.

CHALLENGE TO ENCOUNTER

How can I know anything for sure? Can a person reject Jesus Christ without honestly considering His claims? Is there a God? This course seeks to provide the basis for an intelligent encounter with Jesus Christ.

GOD LOVES YOU

This book illustrates God's love for children, God's provision, salvation, answers to prayers, Jesus' death and resurrection, forgiveness, and how to know God better.

WE HEAR FROM THE PROPHETS

The lives of eight prophets are examined in this course. Careful study of the course and obedience to the words of the prophets help students know how to submit to God. This course was designed to help reach Muslims but has been used effectively to reach people of varying beliefs.

ILLUSTRATED BIBLE STORIES

This full-color comic book series tells the stories of Bible heroes. The stories appeal to many cultures—children, youth, and even adults. Each book ends with an invitation to accept Jesus as Savior. *Esther*, *David*, *Gideon*, and *The Christmas Story* are available in audio and video. All four books are also available in English, French, and Spanish within the United States through the International Office in Springfield, MO. Global University directors can produce them on the field in other languages.

IS JESUS GOD?

If the testimonies of the world's great leaders and schools about Jesus are correct, He is the most unique person to ever live in this world. This booklet is designed to provide the atheist and agnostic with solid evidence for the divinity of Christ and lead him or her to faith.

THE RIGHT PATH

Muslims today are searching for truth about Jesus. They need God's forgiveness as much as anybody. This evangelism book can assist the Muslim in finding peace with God.

THE GREATEST MIRACLE

Is there more to religion than rites and rituals? Many Catholics long to know Jesus in a personal way. This booklet describes the greatest miracle—knowing Jesus personally.

SEARCHING FOR ANSWERS

Hindus need to know that God cares about them and has a plan for their lives. This evangelism booklet answers the questions of many Hindus, such as, what is the truth about God, what is life all about, and what happens after death?

I AM GOD

New Age thinking is alive in America and Europe. This booklet discusses the main tenets of New Age belief and challenges proponents to put their beliefs to the test. Then, the good news of Jesus Christ is presented in a loving way.

THE SPIRIT WORLD

Many people fear demons, sorcery, curses, and other unseen spiritual forces. They need to hear that Jesus Christ conquered the unseen forces of evil and offers eternal life and forgiveness of sin. This booklet helps people from animistic cultures discover new life in Christ.

FREEDOM FROM KARMA

Buddhists believe that much of what is experienced today is tied to past lives. A Buddhist believes that if good was done in a past life, then good will happen in this life; if bad was done, then bad will come about in this life. But the Bible teaches that a person dies only once in this life, then faces God's judgment. True peace is found only in Jesus. This book illustrates how those who believe in Karma can be set free through the love of Jesus Christ.

ABSOLUTES OR NOT

We live in a postmodern era in which long-held assumptions, traditions, systems, and beliefs are challenged. Postmodernism affects the world of religion as well. This evangelism booklet helps postmodern thinkers evaluate intellectually the ramifications of their worldview and presents Jesus Christ as the one true Savior of the world.

THE COUNTERFEIT WEALTH

Many today think money will bring happiness. But time and time again, the news tells of another rich person whose life has spiraled out of control. What brings true happiness to a person's life? This book shows that knowing Jesus is the only thing that is everlasting.

21st Century Discipleship Series

CORNERSTONES OF TRUTH

As you have probably discovered, the teachings in the Bible are not presented according to topics. For example, the book of Genesis does not give us a complete explanation of the Godhead, nor does any other single book. An important way to study the Bible is to find all the teachings related to a certain topic. Authors Floyd Woodworth Jr. and David Duncan will follow this kind of systematic study to see what the Scriptures teach about the universe and its Ruler, about humankind and the structure God has chosen for human development. Students will also discover what the Bible has to say about the future. The topics covered in this course include:

1. God: His Nature and Natural Characteristics
2. God: His Moral Characteristics and Works
3. Christ: Visible Expression of the Invisible God
4. The Holy Spirit: A Wise Administrator
5. Angels: Armies of Darkness and Armies of Light
6. Humankind: Subjects of the Creator
7. Sin and Salvation: Problem and Solution
