A LETTER FROM THE PRESIDENT

Welcome to Global University!

All of us here at Global are pleased to learn of your interest in our school. We are delighted that you are seeking to prepare yourself for service in God's harvest field. Our catalog provides information concerning who we are, our mission, history, and policies and procedures, as well as our various plans of study. We trust you will identify a program of study to help you prepare for God's call on your life.

A unique aspect of our program is the emphasis on applied learning and ministry through our Service Learning Requirement (SLR). This requirement allows learners to move more rapidly from theory to practical application of what they are learning. In other words, learners benefit from the integration of academic rigor with practical application throughout their studies.

Global University is comprised of four schools providing a seamless approach to study, ranging in academic level from certificates (initial evangelism and discipleship courses) through graduate degrees. The four schools are School for Evangelism and Discipleship, Berean School of the Bible (offering adult continuing education courses to equip people for church leadership), Undergraduate School of Bible and Theology (offering associate and bachelor degrees), and Graduate School of Theology (offering master of arts, master of divinity, and doctor of ministry degrees). Catalogs for each school are available on our Web site at www.globaluniversity.edu.

Global University's learners benefit not only from increased knowledge through studying course content, but also from spiritual growth and increased discipline. Our instructional design helps them gain skills for a lifetime of learning, service, and ministry. Students and alumni fill positions of ministry as teachers, pastors, and missionaries. Others serve as local, district, and national church leaders. They actively work in both open and sensitive locations, fulfilling God's call on their lives to impact eternity where they are and wherever God leads them.

Should you enroll and study with Global University, you will not be studying alone. Instead, you will join students studying in literally every time zone of the world. We operate through a worldwide network of 232 offices serving over 300,000 students. We are committed to equipping people for service in churches, schools, and other ministries. As you study, rest assured our extensive university stands ready to assist you in any way we can.

God bless!

Gary L. Seevers Jr., PhD
President

A LETTER FROM THE PROVOST

What an honor it is to serve as the Provost of Global University. As I travel the world and meet our students and alumni, I am impressed with their commitment to excellence in ministry. Many serve in pastoral positions, and many serve in lay positions in local churches. The common thread is that Global courses and programs prepared them well to carry out God's call on their lives. As I observe students and alumni during my visits, I see the intersection of God's call, their commitment, and a Global University education. The results are that many thousands accept Christ when they hear our students preach the gospel; thousands of churches are planted; and schools and other church-related organizations are established to minister in their local contexts.

Global University allows you to start wherever you are in your personal educational journey and pursue a broad range of goals. Berean School of the Bible's institute-level studies are excellent for personal enrichment or for training for ministers and church leaders. The Undergraduate School of Bible and Theology offers certificates, diplomas, and baccalaureate degrees. Studies with the Graduate School of Theology lead to master of arts (in several concentrations), master of divinity, and doctor of ministry degrees. Whichever program you study, you can be sure it will integrate faith and learning from a Pentecostal evangelical perspective.

Our name—Global University—accurately describes us as a worldwide distance learning school. You are joining a student body that represents every time zone and every inhabited continent. With Global University, you can study when and where you want to, and you can have access to online library resources to give you the opportunity to investigate a subject more deeply.

Welcome to the Global University family. We are students, faculty, staff, and administration who are all involved in “impacting eternity by winning the lost and training the found—everywhere.”

Sincerely,

John G. (Jack) Nill, PhD
Provost

GENERAL INFORMATION

Foreword

The population of the world is increasing at an unprecedented rate. There is an explosive increase in knowledge, and people are eager to learn. Global University has responded to this need by developing its own instructional tools in print, audio, video, CD-ROM, and online delivery formats that take the school to the student.

By utilizing the tools of contemporary educational technology, Global University is expanding the resources of the church. Global University's courses are applicable for distance education instruction, school classrooms, learning centers, other types of group study, and individual study.

Qualified writers from many nations write and develop the course materials that are then distributed around the world in many languages. This contributes to fulfilling Global University's motto: Impacting eternity by winning the lost and training the found—everywhere!

History

Global University has a distinguished heritage spanning almost six decades. Its rich history is a blending of the achievements of two distance education institutions. This dual foundation of experience adds academic strength to the entity created by the merger of ICI and Berean Universities.

The Assemblies of God Fellowship recognized that not everyone who desired ministerial preparation could attend a residential Bible training institution. Therefore a distance education program for ministerial candidates was begun in 1941. This program developed into the Berean School of the Bible by 1958 and was headquartered in Springfield, Missouri.

In 1967, International Correspondence Institute (ICI) was founded under the auspices of the Division of Foreign Missions. This second distance education school was designed to provide evangelism, discipleship, and workers' training courses as well as bachelor's degrees to students all over the world. George M. Flattery, who first envisioned the school, was its founding president. Its offices moved from Missouri to Brussels, Belgium, in 1972 and remained there until 1991.

Both Berean School of the Bible and ICI grew rapidly, adding courses and programs to meet the growing needs of their students. Berean, which was utilizing courses developed by ICI for its degree programs, became Berean College in 1985 and Berean University in 1995. ICI moved from Brussels to Irving, Texas, in 1991 and became ICI University in 1993.

Both institutions remained faithful to their respective missions. Similarity in educational approach, mission, and services made a merger of the two institutions logical. Both universities were making significant advances in electronic delivery via the Internet and other technologies. Rather than

duplicating costly delivery systems, a united university would result in better stewardship of technological and human resources. Thomas Trask, General Superintendent of the Assemblies of God at that time, and L. John Bueno, Executive Director of World Missions at that time, agreed to initiate the merger.

Global University now has four schools: (1) School for Evangelism and Discipleship, (2) Berean School of the Bible, (3) Undergraduate School of Bible and Theology, and (4) Graduate School of Theology. All of these schools of Global University are truly global in outreach. Students at home and abroad enroll in all levels of study. Global University works closely with Assemblies of God World Missions, US Missions, and other divisions of the General Council.

Global University continues to write new chapters of history as it impacts eternity by winning the lost and training the found—everywhere! This means using various media technologies through anointed courses, curricula, consultation, and cooperation, equipping people to be Christ's disciples with the help of God to His glory and the expansion of His kingdom.

Mission of Global University

Global University is a Christian university in the Pentecostal tradition that:

- integrates education and service through a worldwide network for student support.
- provides access to ministerial training from adult continuing education to the graduate level.
- produces curricular materials in multiple languages.
- serves the local church and Christian community through evangelism, discipleship, and leadership training through nonresidential distributed learning methods.

Doctrinal Statement

The doctrinal position of Global University is expressed in the following statement of faith.

We believe:

- the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit (Deuteronomy 6:4; Matthew 28:19).
- in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His

personal, future return to this earth in power and glory to rule a thousand years (John 1:1).

- in the blessed hope—the rapture of the Church at Christ’s coming (Titus 2:13).
- the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ (John 14:6).
- regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
- in water baptism by immersion (Matthew 28:19).
- the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer (1 Peter 2:24).
- the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
- in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life (Galatians 5:16–25).
- in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11–15).

THE FOUR SCHOOLS

Global University is one university with four schools. For further information concerning the schools and programs described below and the languages in which they are available, please contact your director or the International Office of Global University, or check the university's Web site at www.globaluniversity.edu.

Nondegree Programs

School for Evangelism and Discipleship

Evangelism courses present a basic understanding of the gospel for those seeking to know the saving truths of God's Word. These courses are available for children and adults. The *Christian Life Series* and *21st Century Discipleship Series* help new believers explore foundational topics on Christian living, including prayer, Bible study, and worship.

The *Christian Service Series* provides an in-depth approach to Bible study and application through teaching, spiritual gifts, witnessing, discipleship, and other important topics. These courses are suitable for discipleship training at the local church level. They have been translated into over twenty languages, including Spanish and French, and are available online at www.globalreach.org. Students can enroll in a Christian Service Diploma program by contacting student services at Global University and enrolling with the School for Evangelism and Discipleship (SED); however, no academic credit is given for completing these courses.

Berean School of the Bible

Berean School of the Bible (BSB) is the adult continuing education program of Global University. The courses are ideal for personal enrichment as well as for ministerial and church leadership training. The General Presbytery of the Assemblies of God has approved the Ministerial Studies program of Berean School of the Bible to fulfill the educational requirements for ministerial credentials. Ministerial credentials are issued by the General Council Credentials Committee upon recommendation of the appropriate district; **ministerial credentials are not issued by Global University.**

Individuals who serve in churches other than the Assemblies of God may substitute non-AG ministerial studies courses for the organization-specific courses in order to fulfill the requirements for a diploma in Ministerial Studies.

Although Berean School of the Bible courses are not college degree-level courses, transcripts are maintained and diplomas are offered to validate completion of BSB studies. Diplomas are offered in Ministerial Studies, Ministerial Studies with Leadership Honors, Bible and Doctrine, Church Ministries, Royal Rangers Organizational Leadership, and Native Leadership Development. Certificates are awarded for each of the three levels of Ministerial Studies. Consult the Diploma Requirements section of this catalog for specific requirements for each of these diplomas.

Berean School of the Bible also offers programs in Spanish. For more information please visit our Web site, call, or write to request a Spanish catalog. (Students must complete at least 50 percent of their courses in the same language in which their diploma or certificate will be issued.)

Degree Programs

Undergraduate School of Bible and Theology

The Undergraduate School of Bible and Theology offers programs of study for students desiring to earn an associate or baccalaureate degree, a two-year or three-year diploma, and undergraduate certificates. Coursework completed toward an undergraduate diploma may be applied to a bachelor of arts degree if the student's elective courses match the requirements of the bachelor of arts degree desired.

Graduate School of Theology

The Graduate School of Theology offers post-baccalaureate degrees and certificates through a structured distance-education format by utilizing mentors, printed and electronic materials to guide students in study and research. The degrees offered are a Master of Arts in Biblical Studies, a Master of Arts in Ministerial Studies, a Master of Divinity, a Doctor of Ministry—Biblical Studies and Theology, and a Doctor of Ministry—Church Ministries.

Academic Affairs Committee

The Global University Academic Affairs Committee is composed of the Provost, the Vice Provost, the Executive Vice President, the Vice President of Global Operations, the deans of the schools, and the directors of academic service areas.

The primary function of the Academic Affairs Committee is the oversight of the educational standards and procedures that apply to the various Global University curricular programs. The Academic Affairs Committee is responsible for decisions that affect the curricula, the faculty, instructional methods and delivery, and graduation requirements.

Of special concern to the Academic Affairs Committee is the recognition of Global University's academic credits, diplomas, and degrees. The committee seeks to maintain the recognition by assuring that instructional materials and programs meet high quality standards. To this end, the committee reviews and approves all educational materials in print, audio, CD-ROM, video, and online delivery formats.

Regional and National Directors

Global University operates worldwide through a network of regional offices that assist national offices. Regional and national directors promote, supervise, and coordinate the work of the university within a designated geographical area. They, along with the national office staff, encourage students to pursue and achieve academic excellence.

The Global University Board of Administration and the regional directors form the Global Leadership Council. This council, with the assistance of the International Office staff, meets biennially to review past achievements and develop procedures, goals, and strategies to promote continued improvement and growth.

University Faculty

Individuals who serve Global University as faculty are included in the following two categories:

Resident Faculty

Global University resident faculty are those academically qualified individuals serving at the International Office whose activities consist primarily of writing, developing, and facilitating courses.

Adjunct Faculty

Adjunct faculty are academically qualified individuals throughout the Global University network who periodically write, facilitate, and evaluate Global University courses in field settings or serve as tutors for students studying independently with the university.

The independent-study courses of Global University have been approved for educational benefit payments by the United States Veterans Administration and the United States DANTES (Defense Activity for Non-Traditional Education Support).

UNIVERSITY STANDARDS

Basic Standards of Academic Integrity

Registration at Global University requires adherence to the university's standards of academic integrity. Many of these standards may be intuitively understood and cannot in any case be listed exhaustively; the following examples represent some basic types of behavior that are unacceptable:

1. **Cheating:** (a) using unauthorized notes, aids, or information when taking an examination; (b) submitting work done by someone else as your own; (c) copying or paraphrasing someone else's essays, projects, or other work and submitting it as your own.
2. **Plagiarizing:** submitting someone else's work and claiming it as your own or neglecting to give appropriate documentation when using any kind of reference materials. Plagiarism, whether purposeful or unintentional, includes copying or paraphrasing materials from the study guide, textbook, someone else's writing, or any other source (published or unpublished). Any words, thoughts, or ideas taken from any other source must be properly documented according to the *Global University Undergraduate Form and Style Guide*.
3. **Fabricating:** falsifying or inventing any information, data, or citation.
4. **Obtaining an unfair advantage:** (a) stealing, reproducing, circulating, or otherwise gaining access to examination materials prior to the time authorized by the instructor or examination supervisor; (b) unauthorized collaborating on an academic assignment; (c) retaining, possessing, using, or circulating previously given examination materials where those materials clearly indicate they are to be returned to the examination supervisor or to the Global University offices at the conclusion of the examination.

Disciplinary action for not maintaining basic standards of academic integrity may range from lowering a grade for a paper to dismissal from the program, depending on the severity of the offense.

Code of Conduct

Global University is a Christian educational institution aiming to, among other things, equip men and women to fulfill God's calling on their lives. Christian conduct is therefore an expected norm. While Global University reaches many cultures around the world, it is understood that some practices acceptable in one culture may not be acceptable in another.

As Christians we look to the Scripture to guide our conduct. Therefore, students are expected to conduct themselves according to biblical principles of behavior. Examples of such principles are found in Romans 12:9–21; Galatians 5:22–23;

and Ephesians 4:1–3, 25–32. The Code of Conduct also applies to verbal and written communication with Global University representatives, faculty, staff, and students. Furthermore, it extends to all electronic communication, including threaded discussions and e-mail with faculty and students.

Violation of the Code of Conduct may result in disciplinary action, including dismissal from the program.

Due Process of Student Rights

In all cases involving academic dishonesty, the student charged or suspected shall, at a minimum, be accorded the following rights:

1. Prompt investigation of all charges of academic dishonesty, to be conducted, insofar as possible, in a manner that prevents public disclosure of the student's identity. Such investigation may include informal review and discussion with an official of the school prior to bringing a charge, provided that such review does not compromise the rights of the student in the formal process.
2. Reasonable written notice of the facts and evidence underlying the charge of academic dishonesty and of the principle(s) of academic integrity said to have been violated.
3. Reasonable written notice of the procedure by which the accuracy of the charge will be determined.
4. Reasonable time, if requested, within which to prepare a response to the charge.
5. A hearing or meeting at which the student involved may be heard and the accuracy of the charge determined by a neutral decision maker.
6. Review of any adverse initial determination, if requested, by an appeals committee to whom the student has access in person. Generally, implementation of sanctions will be suspended until all appeals made by the student have been exhausted.
7. Final review of an unsuccessful appeal, if requested, by the president or an advisory committee designated by the president.

Tracking and Addressing Student Complaints

Global University takes complaints and grievances seriously. The Department of Student Services, of GU's Academic Affairs office, maintains and monitors a complaint or grievance file. The complaints received usually belong in two general categories: (1) the course content or (2) the course delivery and support system.

- Complaints relating to course content are referred to the University Materials Development (UMD) department and to the Professor of Record (POR) for the course. A student representative will then contact the student with an answer to the student's question(s) or with a solution to the student's problem.
- Complaints relating to the delivery and support system are handled through the Student Services department. A student representative will contact the student to resolve the difficulty. In some cases, this leads to the establishment of new policies or procedures to improve the delivery system for all students.

In more difficult or complex situations, especially those involving problems spanning more than one department, the complaint is referred to the Provost. As necessary, the Academic Affairs Committee will also become involved to resolve student complaints in a timely and satisfactory manner.

Should a student wish to file a grievance with Global University, he or she may choose any one of the following three contacts:

1. A student may contact a Global University faculty member or national office staff member by e-mail, phone, fax, post / mail, or in person. Often, problems are easily resolved at this level.
2. A student may contact the Student Services department of Global University by e-mail, phone, fax, post / mail, or in person. Student Services personnel are trained to resolve student concerns.
3. A student may contact any administrator of Global University by e-mail, phone, fax, post / mail, or in person. In these cases, the matter typically will require a period of investigation in order to be resolved.

Once a concern, complaint, or grievance is received, every effort will be made to resolve the issue personally and quickly. Should a student not be satisfied with the resolution, the student can appeal the decision to the International Office of Global University and directly to the Provost's Office. Should a student not be satisfied with the resolution, the student can contact the Provost's Office and request that the issue be addressed by the Global University Academic Affairs Committee. The decision of the Academic Affairs Committee will be deemed final.

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. These rights are listed here:

1. The right to inspect and review the student's education records within 45 days of the day Global University receives a request for access. Students should submit

to the registrar written requests that identify the record(s) they wish to inspect. The registrar will make arrangements for access and notify the student of the time and place the records may be inspected. In place of inspecting the record(s), the student may request that they be copied and mailed to the student. In this case, the student will pay a copy fee of 15 cents (United States currency) per page in addition to postal costs.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the university to amend a record they believe is inaccurate or misleading. They should write to the registrar, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when he or she is notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support staff position; a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. The student has the right to file a complaint with the US Department of Education concerning alleged failures by Global University to comply with the requirements of FERPA. The name and address of the office that administers FERPA are listed below:

Family Policy Compliance Office
 US Department of Education
 400 Maryland Avenue, SW

INSTRUCTIONAL TECHNOLOGY AND RESOURCES

Internet Courses

Most of the Berean School of the Bible courses are available online and in electronic formats (PDF, ePub, and Kindle). Students may utilize the interactive course materials in addition to, or in place of, the print materials. Exams may be taken online, even if the student chooses to use the print version of the course. The online testing option provides immediate access to the student's grade as well as feedback on the concepts the student has not mastered.

Other levels of study are also available. Students who have questions about what it means to be a Christian can access courses through our Globalreach.org site. For those seeking college credit, several undergraduate courses are available online as well. For further information about Internet options, visit us online at www.globaluniversity.edu.

Digital Courses

Global University has partnered with Logos Bible Software to provide revolutionary digital study tools. This partnership allows students to study Berean School of the Bible courses inside a powerful digital library system. The digital study system not only greatly enhances the initial learning experience but also provides lifelong learning and ministry-enablement tools. For more information about digital study and the Logos Bible Software, visit www.globaluniversity.edu.

Library Resources

The Global University Library, located within GU's International Headquarters in Springfield, Missouri, is a collection of both print and electronic resources that support the curriculum of the programs offered by the university. The library, which may be utilized for general research, is comprised of more than 25,000 volumes, including books, reference materials, periodicals, maps, microfiche, audio and video materials, and vertical files.

The Global University Library provides valuable online resources such as CREDO Reference, Encyclopedia Britannica Online Academic Edition, Academic Search Elite, and American Theological Association (ATLA) databases. These resources provide GU's undergraduate and graduate students access to thousands of peer-reviewed journals, as well as general reference resources.

You may access these resources via the Global University Library Web site at www.library.globaluniversity.edu. Online chat and e-mail "Ask-A-Librarian" features enable you to direct your research questions to a Global University reference librarian. Through technology, Global University is continually expanding its online information services to support and enhance the distance-learning experience for its students.

FINANCIAL INFORMATION

Global University operates as a not-for-profit institution. Students are charged no more than what is necessary to provide the appropriate educational services of distance learning. Due to changing economic conditions, the university reserves the right to revise charges as deemed necessary. However, every effort is made to keep costs as low as possible.

Fees and Tuition

Students enrolling in Berean School of the Bible courses for the first time are required to pay a one-time application fee. Course tuition and materials prices are listed on the Berean School of the Bible order form. Adult continuing education course tuition includes all student services such as grading of examinations and projects, response to student inquiries regarding course content, and maintenance of student transcripts.

Other miscellaneous fees that may be incurred in addition to the one-time application fee and the course costs described above include the program completion fee, diploma

replacement fee, exam retake fee, enrollment extension fee, and expediting fee.

Cancellation and Refund Policy

An enrollment may be canceled by an applicant student within five (5) business days for a full refund, excluding shipping and handling fees.

From five (5) business days after the day on which the enrollment agreement is signed and until nine (9) months from the enrollment date or until the time that the final exam has been received, the school will retain a 20 percent registration fee. If a cancellation is requested after nine (9) months, no refunds will be given. The student may still withdraw from the course, as long as the course status is in progress. Refunds will be given only on materials that are in resalable condition. No refund will be made after five (5) business days for the New Student Application Fee. Please report any discrepancies with the order within thirty (30) days of the invoice date.

US Defense Activity for Non-Traditional Education Support (DANTES)

Berean School of the Bible ministerial studies courses are included (along with Global University undergraduate

courses) in the DANTES catalog, listing Distance Education and Training Council schools that qualify for Defense Activity for Non-Traditional Education Support (DANTES). Approval for this listing makes it possible for those active in any branch of the United States military to receive tuition assistance when they enroll in ministerial studies courses offered by Berean School of the Bible. To begin studying under this plan, military personnel must obtain a voucher from their military education office. This voucher must be completed and submitted to the Global University VA/DANTES enrollment office. The enrollment form must also be submitted. Students using their DANTES benefits are responsible at the time of enrollment for any fees and materials not covered by tuition assistance.

SERVICES, POLICIES, AND PROGRAMS

Academic Counseling

While Berean School of the Bible strives to provide as much assistance as possible in the planning of educational programs, students are responsible for the proper completion of all required coursework. Berean School of the Bible personnel may advise and assist students in establishing educational goals and in planning a proper sequence of classes. However, it is the interest and self-discipline of students that will determine success in meeting those goals.

Student Status

Students may have as much time as they need to complete Berean School of the Bible programs. However, if there is no activity (enrollment or completion) on a student's record for 18 months, the student is moved to inactive status. If the student chooses to resume studies at a later date, he or she may find that some program requirements have changed and additional coursework may be required.

Time Limit for Completing a Course

The time limit for completing a Global University Berean School of the Bible course is 6 months from the date the order is processed by Global University. Students are expected to complete their studies within this prescribed length of time. However, where circumstances merit, an extension of up to 6 months may be granted upon request. A processing fee is required for the extension. Additional extensions are not permitted.

Examinations

Mastery of a course is determined by the successful completion of examinations. Successful completion means the student has earned at least 70 percent of the points available for the course. Chapter review tests (called "Test

Yourself" at the end of each chapter) and unit progress evaluations (usually located in the back of the IST) should be completed before the student proceeds through the remainder of the course. These evaluations are self-graded and are meant to help the student assess his or her mastery of the course. The answer keys for each course's chapter tests and unit progress evaluations are usually located in the back of the IST. (In the previous curriculum, a mid-course evaluation was included within the course's study guide, and its answer key was printed at the back of the study guide. Some of these courses are still being studied and serviced.)

A final examination is required for every course. The examinations are to be taken closed-book (without the use of books, Bibles, notes, or other materials). If a student fails an examination, he or she is allowed one retake and is charged a retake fee. An alternate exam will be administered for the retake. If a student fails the retake exam, he or she must re-enroll in the course by paying the current tuition fee and then pass the final examination to receive credit for the course.

All Berean School of the Bible ministerial examinations are offered via the Internet. The online examinations allow students to receive their final exam grade within seconds of completing it. Visit www.globaluniversity.edu for information about online examinations.

Recommended Reading

A supplementary reading text is recommended for each of the Berean School of the Bible courses. Although these texts are not required, students are strongly encouraged to acquire and read these textbooks as part of completing each course. The recommended reading textbooks can be purchased through Global University.

Service Learning Requirements

Most Berean courses require a Service Learning Requirement (SLR) assignment. (The older courses do not have SLRs.) This is an opportunity for the student to practice in ministry the concepts being learned. The assignment report form must be submitted to Global University. A grade for the course will not be assigned until the student has satisfactorily completed this assignment.

Transcripts

An official transcript of all work completed through Berean School of the Bible is maintained and is available upon request and/ or authorization of the student.

For the convenience of our students, a Transcript Request Form is available on Global University's Web site. Please include the following information when requesting a transcript: name and address at the time of enrollment, present name and address, any addresses used since enrollment, student number, Social Security number, the date of the last course completed, the name and address of the individual to whom the transcript is to be sent, and the student's signature. If you have ever studied through a study center, be sure to include the name of the church and the city and state where the study center was located.

When requesting a transcript via e-mail, the e-mail address from which the request is sent must match the student's e-mail address on file at Global University.

Transfer of Credit

Credit for work done in other Bible colleges of recognized standing will be transferred where such work parallels courses required in a student's program at Berean School of the Bible.

The student should request that the other academic institution send an official copy of his or her transcript directly to Berean School of the Bible. This transcript and other pertinent documents should be on hand at the time of the application. Transcripts must be in English or be accompanied by an official translation into English.

No more than 50 percent of the courses required for a diploma or any credential level may be transferred into a student's program. Transfer credit is granted only for courses in which a grade of "C" or better (2.0 on a 4.0 scale) has been earned. Courses in which a grade of "pass" is received must be certified by the school as being equivalent to Berean School of the Bible's standard for a "C" or higher to be accepted in transfer. In all cases, Berean School of the Bible reserves the right to determine whether it will accept transfer credits from another academic institution.

Student Inquiries and Comments

Students may submit questions at any time during their coursework. Each question is answered personally after research by the instructional staff of Berean School of the Bible. Students may comment or ask questions electronically. Access your course online at www.globaluniversity.edu and utilize our "Ask the Professor" feature. You may also e-mail your questions to bsbgradingservices@globaluniversity.edu. Students may also choose to write questions or comments in a letter format.

Programs Offered

Berean School of the Bible offers adult continuing education programs leading to diplomas and certificates. Diplomas are offered in (1) Ministerial Studies, (2) Ministerial Studies with Leadership Honors, (3) Bible and Doctrine, (4) Royal Rangers Organizational Leadership, (5) Native Leadership Development, and (6) Church Ministries. Certificates are offered in (1) Ministerial Studies Level One, (2) Ministerial Studies Level Two, and (3) Ministerial Studies Level Three.

Study Centers

Global University provides the opportunity to bring the benefits of group study to students in the local church or district setting. Local churches have the option of registering as a Berean Study Center. District council offices may partner with Berean to offer a District School of Ministry. Combining the biblical content and practical training in the course materials with the experience and dedication of local leaders, the student receives the benefits of the classroom plus the systematic and practical instruction in the Berean courses. Students studying in the local church also have the opportunity to immediately apply the concepts they are learning as they minister in their churches and communities.

A study center is not an extension site where students are taught by a professor provided by the home campus. It is a group of students who enroll in a course together and are guided through that course by a local facilitator.

Students who desire to study in a group setting are encouraged to consult with local church leaders about starting a Berean Study Center in their church.

Pastors interested in learning more about the church-based Berean Study Center may call Global University or download a Berean School of the Bible Study Center Procedures Manual from www.globaluniversity.edu.

Instructional Facilitator's Manuals

Instructional Facilitator's Manuals (IFMs) are available for many of the Berean School of the Bible courses. These manuals include lesson plans, discussion questions, and teaching aids to assist students who study in groups. Call our Student Services office for further information.

A LETTER FROM THE DEAN

One of the greatest privileges available to Christ's followers is the opportunity to minister to others in His name. Whether as a credentialed minister or lay minister, representing God's love and truth through the life of the church is especially meaningful and fulfilling.

With this great privilege comes great responsibility. Preparing to fulfill God's call by completing appropriate education and training is the first step in being responsible servants. Global University's Berean School of the Bible is here to help you prepare for the privilege of representing the Father in service. Whether God has called you to full- or part-time ministry, to a church or parachurch organization, as a credentialed or lay worker, our curriculum equips you to step into the ministry roles before you.

Distance education's unique delivery methods allow you to access ministry training where you are, within your schedule, and for an easily affordable cost. Our education delivery options allow you to study through printed materials, digitally, or online, or even combine digital and print study tools. You access the training you need to fulfill God's call in the form best suited to your life.

Our mission is to partner with you in service to God and His kingdom plans for this world. We are eager to help you achieve your ministry training goals. We can assist you as either an independent student or as a participant in a local study group, such as a Berean Study Center.

DIPLOMA REQUIREMENTS

Global University's Berean School of the Bible provides Bible and ministry education and training at an adult continuing education academic level. As such, Berean courses do not earn college credit. However, courses may transfer as credit into a Global University undergraduate degree program under strict guidelines. You should contact Global University to determine if your completed Berean courses are eligible for transfer as college credit.

At least 50 percent of a student's coursework must be completed through the Berean School of the Bible in order to earn a BSB certificate or diploma.

Diploma and Certificate Programs

The diploma and certificate programs described below are intended to prepare students for various levels of ministry, including both credentialed and lay ministry roles in the church.

The overarching goals for the diploma and certificate programs include demonstrated achievement at the adult continuing education level in the following areas. After successfully completing the Berean program, the student will be able to:

- Demonstrate basic proficiency in Bible study methodology, especially as this discipline contributes to sermon preparation.
- Demonstrate a practical knowledge of the organization and basic content of the Old and New Testaments.
- Demonstrate a thorough knowledge of the theological principles and doctrines that serve as a foundation of Pentecostal Christian faith.
- Apply relevant fundamental biblical and theological principles in local ministry contexts. These principles include managing interpersonal conflicts, exemplary ethical conduct, and the servant-oriented use of spiritual authority.
- Demonstrate fundamental proficiency in a variety of pastoral leadership functions, including ecclesial responsibilities, preaching, administration, and chairing meetings.
- Continue the appreciation and practice of lifelong learning.

The student who progresses through the levels of the program will show increased ability in these areas.

The strategies used to assess the achievement of these goals include end-of-course examinations, Service Learning Requirement ministry reports, credentialing examinations with the parent denominational organization, and graduate follow-up survey results.

Ministerial Studies Program

One of the primary purposes of Global University's Berean School of the Bible is to provide training for ministerial candidates who are unable to attend a residential Bible college. Ministerial training is also available through Global University's Undergraduate School of Bible and Theology for degree credit. The Berean School of the Bible Ministerial Studies Diploma is available in Spanish. For more information, request a copy of our Spanish catalog. Students must complete at least 50 percent of their courses in the same language in which their diploma or certificate will be issued.

If you are preparing for ministerial credentials with the Assemblies of God, contact your district office. Your district may have specific requirements that differ from the requirements listed here. Ministerial credentials are issued by the General Council Credentials Committee upon recommendation of the appropriate district, not by Global University.

Action by the General Presbytery of the Assemblies of God has periodically changed course requirements over the years for the Ministerial Studies Diploma. Any student who began a program level under earlier requirements may be allowed to complete that level before moving to the current program requirements. If you have any questions related to completing earlier program requirements, please contact Global University.

If you live in the USA but are not affiliated with the Assemblies of God, you may elect to substitute THE 411 *The Church: Pentecost to Reformation* for THE 142 *Assemblies of God History, Missions, and Governance*. All other diploma program courses are required.

If you live outside the USA, contact the national church in your country to determine what courses might be used to meet training requirements in your country. Completion of the Ministerial Studies Diploma as described here does not guarantee you will meet specific requirements in your country. Neither does meeting these requirements qualify you for ministerial credentials in the USA if you do not live in the USA.

Ministerial Studies Diploma

Upon completion of the Ministerial Studies Diploma (including all three levels of study), the student will have met the minimum academic requirements to apply for the ordination process with The General Council of the Assemblies of God USA. Ministerial credentials are issued by the General Council upon the recommendation of the appropriate district. Successful completion of the Ministerial Studies Program (or any individual level) should prepare the student for credentialing interviews and tests. The

student will have mastered basic Bible content (Old and New Testaments), theological principles, and practical ministry skills for service in a church leadership position. Ministerial credentials are not issued by Global University. Global University recommends that ministerial students contact their Assemblies of God district office to inquire about the credentialing requirements and process.

Upon completion of the Level One Ministerial Certificate, a student should have met the academic requirements to apply for Certified Minister status in The General Council of the Assemblies of God USA. Center for Native Leadership Development (CNLD)

This program can be completed only through an approved Center for Native Leadership Development (CNLD).

CNLD is a ministry of Native American Fellowship in cooperation with the Assemblies of God US Missions and Global University's Berean School of the Bible. The CNLD mission is to provide Bible-based classroom studies combined with mentoring to prepare believers for Native ministries.

CNLD provides immediate assistance in advancing the kingdom of God through in-service training of church members. CNLD offers adult continuing education courses in basic biblical studies, theology, and ministry skills, (a) applying them to practical ministry and (b) meeting study requirements for ministerial credentials up to the level of Ordained Minister. Students are connected with mentors experienced in local ministry, who will disciple them for practical, effective ministry while both are currently active in local ministry.

For more information, please visit the Native American Fellowship Web site. You may also download the CNLD Procedures Manual at www.globaluniversity.edu.

COURSE DESCRIPTIONS

Explanation of Course Numbering

The following course descriptions are grouped into four divisions:

BIB = Bible

THE = Theology / History

MIN = Ministry / Practical Theology

CAP = Capstone Projects

Continuing Education Units (CEUs)

Continuing education units are a nationally recognized standard used by the educational community to measure participation in learning activities. Global University has followed acceptable guidelines in determining the number of units that can be earned by the completion of each course. The relative significance and approximate amount of time required to complete each course are indicated by the number of units; these units cannot be equated with college credits.

Course Materials

Materials required: When you enroll in a course in the ministerial sequence, you will receive an Independent-Study Textbook (IST). This comprehensive textbook is your teacher, textbook, and study guide in one package. The last section of the printed IST is Essential Course Materials (ECM), containing unit progress evaluations (UPEs), answer keys, the service learning requirement (SLR), and other instructional aids.

Other courses, not in the ministerial sequence, do not have ISTs, ECMs, UPEs, or SLRs. Instead, a Study Guide (SG) and a separate textbook are the required study materials for each of these nine courses. In the middle of these SGs is a Mid-Course Evaluation—a self-graded test to check your progress

in the course. The Study Guide provides additional teaching, reading assignments, and study questions as it leads you through the textbook.

Materials recommended: Global University and the Assemblies of God executive leadership strongly recommend students acquire and read the recommended textbooks for each ministerial sequence course. Not only will this reading enhance learning in the subject, but these books will also provide valuable resources in later ministry.

The Instructional Facilitator's Manuals (IFMs) listed with some courses are described in the catalog section entitled "Services, Policies, and Programs."

Most of the courses are available in digital format online, in various electronic formats, and in a digital library system package (through Logos Bible Software). If you choose to study using the Logos-based learning package, you will receive an entire library of Bibles and reference titles for your computer. Course materials are designed to interact with this library to add an enhanced dimension to your study. See our order form for pricing on digital resources.

Berean courses are available in various delivery formats. The following symbols appear within each course description to identify available formats for that course:

-  = Available in all digital formats, including online, Logos digital library, and electronic book form: PDF, ePub, and Kindle.
-  = Available on the Global University Web site as an interactive online course
-  = Available as part of a digital Logos library system
-  = Available in electronic book form: PDF, ePub, and Kindle.
