A LETTER FROM THE PRESIDENT

Welcome to Global University!

All of us here at Global are pleased to learn of your interest in our school. We are delighted that you are seeking to prepare yourself for service in God's harvest field. Our catalog provides information concerning who we are, our mission, history, and policies and procedures, as well as our various plans of study. We trust you will identify a program of study to help you prepare for God's call on your life.

A unique aspect of our program is the emphasis on applied learning and ministry through our service learning requirement (SLR). This requirement allows learners to move more rapidly from theory to practical application of what they are learning. In other words, learners benefit from the integration of academic rigor with practical application throughout their studies.

Global University is composed of four schools providing a seamless approach to study, ranging in academic level from certificates (initial evangelism and discipleship courses) through graduate degrees. The four schools are School for Evangelism and Discipleship, Berean School of the Bible (offering adult continuing education courses to equip people for church leadership), Undergraduate School of Bible and Theology (offering associate and bachelor degrees), and Graduate School of Theology (offering master of arts, master of divinity, and doctor of ministry degrees). Catalogs for each school are available on our website at www.globaluniversity.edu.

Global University's learners benefit not only from increased knowledge through studying course content but also from spiritual growth and increased discipline. Our instructional design helps them gain skills for a lifetime of learning, service, and ministry. Students and alumni fill positions of ministry as teachers, pastors, and missionaries. Others serve as local, district, and national church leaders. They actively work in both open and sensitive locations, fulfilling God's call on their lives to impact eternity where they are and wherever God leads them.

Should you enroll and study with Global University, you will not be studying alone. Instead, you will join students studying in literally every time zone of the world. We operate through a worldwide network of 220 offices serving over 400,000 students. We are committed to equipping people for service in churches, schools, and other ministries. As you study, rest assured our extensive university stands ready to assist you in any way we can.

God bless!

Gary L. Seevers Jr., PhD
President

A LETTER FROM THE PROVOST

Wherever you are in the world, sincere greetings!

It is my pleasure to serve as the provost of Global University. Dealing with academic issues around the world requires an understanding and perceptiveness of regional and national differences. Those differences are not limited to education; they appear in every aspect of life and work. In traveling the world and meeting our Global students and alumni, I am impressed with their commitment to excellence in ministry in all cultural situations. As I observe these people I can usually see the intersection of God's call, their commitment, and a Global University education. The results are astounding: people are saved, churches are started, para-church ministries are established, and bodies are healed. The Lord operates through thousands of men and women who have come through Global University's programs.

Global University allows you to start wherever you are in your own educational journey and pursue a broad range of learning goals. Do you want basic instruction as a new follower of Christ? Then the School for Evangelism and Discipleship's Christian Life and Christian Service series of courses would benefit you. Do you want to study for a ministerial career, a lay leadership role in your church, or your own spiritual enrichment? The Berean School of the Bible's institute-level programs will serve you well. Do you want an accredited undergraduate certificate, diploma, or bachelor of arts degree? Check out the programs offered by the Undergraduate School of Bible and Theology. Are you prepared for post-baccalaureate studies? The Graduate School of Theology offers master of arts degrees, a master of divinity degree, and a doctor of ministry degree. Global is one university with four schools, so you will have a wide-ranging menu of options from which to choose. And whichever program you select, you can be sure it will integrate faith and learning from a Pentecostal evangelical perspective.

Our name—Global University—accurately describes us as a worldwide distance-learning school. Our regional accreditation with the Higher Learning Commission assures you of a quality education. As you enter studies with Global University, you join a student body in every time zone and nearly every country of the world. You can study where and when you want to at extremely affordable costs. You will have access to faculty via postal mail or e-mail, and our online library resources provide the opportunity to investigate a subject as deeply as you wish.

Welcome to the Global University community. We are students, faculty, staff, and administrators who are all involved in "impacting eternity by winning the lost and training the found—everywhere."

God's blessings on you,

David L. DeGarmo, DMin
Provost

GENERAL INFORMATION

Foreword

The population of the world is increasing at an unprecedented rate. There is an explosive increase in knowledge, and people are eager to learn. Global University has responded to this need by developing its own instructional tools in print, audio, video, CD-ROM, and online delivery formats that take the school to the student.

By utilizing the tools of contemporary educational technology, Global University is expanding the resources of the church. Global University's courses are applicable for distance-learning instruction, school classrooms, learning groups, and individual study.

Qualified writers from many nations write and develop the course materials that are then distributed around the world in many languages. This contributes to fulfilling Global University's motto: Impacting eternity by winning the lost and training the found—everywhere!

History

Global University has a distinguished heritage spanning almost six decades. Its rich history is a blending of the achievements of two distance-learning institutions. This dual foundation of experience adds academic strength to the entity created by the merger of ICI and Berean Universities.

The Assemblies of God Fellowship recognized that not everyone who desired ministerial preparation could attend a residential Bible training institution. Therefore, a distance-learning program for ministerial candidates was begun in 1947. This program developed into the Berean School of the Bible by 1958 and was headquartered in Springfield, Missouri.

In 1967, International Correspondence Institute (ICI) was founded under the auspices of the Division of Foreign Missions. This second distance-learning school was designed to provide evangelism, discipleship, and workers' training courses as well as bachelor's degrees to students all over the world. George M. Flattery, who first envisioned the school, was its founding president. Its offices moved from Missouri to Brussels, Belgium, in 1972 and remained there until 1991.

Both Berean School of the Bible and ICI grew rapidly, adding courses and programs to meet the growing needs of their students. Berean, which was utilizing courses developed by ICI for its degree programs, became Berean College in 1985 and Berean University in 1995. ICI moved from Brussels to Irving, Texas, in 1991 and became ICI University in 1993.

Both institutions remained faithful to their respective missions. Similarity in educational approach, mission, and services made a merger of the two institutions logical. Both universities were making significant advances in electronic delivery via the Internet and other technologies. Rather than duplicating costly delivery systems, a united university would

result in better stewardship of technological and human resources. Thomas Trask, general superintendent of the Assemblies of God at that time, and L. John Bueno, executive director of World Missions at that time, agreed to initiate the merger that was completed in 2000.

Global University now has four schools: (1) School for Evangelism and Discipleship, (2) Berean School of the Bible, (3) Undergraduate School of Bible and Theology, and (4) Graduate School of Theology. All of these schools of Global University are truly global in outreach. Students at home and abroad enroll in all levels of study. Global University works closely with Assemblies of God World Missions, US Missions, and other divisions of the General Council.

Global University continues to write new chapters of history as it impacts eternity by winning the lost and training the found—everywhere! This means using various media technologies through anointed courses, curricula, consultation, and cooperation, equipping people to be Christ's disciples with the help of God to His glory and the expansion of His kingdom.

Mission of Global University

Global University is a Christian university in the Pentecostal tradition that:

- integrates education and service through a worldwide network for student support.
- provides access to ministerial training from adult continuing education to the graduate level.
- produces curricular materials in multiple languages.
- serves the local church and Christian community through evangelism, discipleship, and leadership training through nonresidential distributed learning methods.

Doctrinal Statement

The doctrinal position of Global University is expressed in the following statement of faith.

We believe:

- the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- there is only one true God, revealed in three persons: Father, Son, and Holy Spirit (commonly known as the Trinity) (Deuteronomy 6:4; Matthew 28:19).
- in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal, future return to this earth in power and glory to rule a thousand years (John 1:1).

- in the Blessed Hope—when Jesus raptures His Church prior to His return to earth (the second coming). At this future moment in time all believers who have died will rise from their graves and will meet the Lord in the air, and Christians who are alive will be caught up with them, to be with the Lord forever (Titus 2:13; 1 Thessalonians 4:17).
- every person can have restored fellowship with God through salvation (trusting Christ, through faith and repentance, to be our personal Savior) (John 14:6).
- regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
- in water baptism by immersion (Matthew 28:19).
- divine healing of the sick is a privilege for Christians today and is provided for in Christ’s atonement (His sacrificial death on the cross for our sins) (1 Peter 2:24).
- the baptism in the Holy Spirit is a special experience following salvation that empowers believers for witnessing and effective service, just as it did in New Testament times (Acts 2:4).
- sanctification initially occurs at salvation and is not only a declaration that a believer is holy, but also a progressive lifelong process of separating from evil as believers continually draw closer to God and become more Christlike (Galatians 5:16–25).
- in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11–15).

THE FOUR SCHOOLS

Global University is one university with four schools. For further information concerning the schools and programs described below and the languages in which they are available, please contact your director or the International Office of Global University, or check the university's website at www.globaluniversity.edu.

Nondegree Programs

School for Evangelism and Discipleship

Evangelism courses present a basic understanding of the gospel for those seeking to know the saving truths of God's Word. These courses are available for children and adults. The *Christian Life Series* and *21st Century Discipleship Series* help new believers explore foundational topics on Christian living, including prayer, Bible study, and worship.

As the entry level for the adult continuing education programs of Global University, the Christian Service Series provides an in-depth approach to Bible study and application through teaching, spiritual gifts, witnessing, discipleship, and other important topics. These courses are suitable for discipleship training at the local church level. They have been translated into over 100 languages, including Spanish and French. Students can enroll in a Christian Life Certificate program or a Christian Service Diploma Program online at <http://sed.globaluniversity.com> or by contacting student services at Global University.

Although SED Bible courses are not college degree-level courses, student records are maintained and certificates and diplomas are offered upon request to validate completion of SED studies.

Berean School of the Bible

Berean School of the Bible (BSB) is the adult continuing education program of Global University. The courses are ideal for personal enrichment as well as for ministerial and church leadership training. The General Presbytery of the Assemblies of God has approved the Ministerial Studies Program of Berean School of the Bible to fulfill the educational requirements for ministerial credentials. Ministerial credentials are issued by the General Council Credentials Committee upon recommendation of the appropriate district; **ministerial credentials are not issued by Global University.**

Individuals who serve in churches other than the Assemblies of God may substitute non-AG ministerial studies courses for the organization-specific courses in order to fulfill the requirements for a diploma in ministerial studies.

Although Berean School of the Bible courses are not college degree-level courses, student records are maintained and diplomas are offered to validate completion of BSB studies. Diplomas are offered in Ministerial Studies, Ministerial Studies with Leadership Honors, Bible and Doctrine, Church Ministries, and Royal Rangers Organizational Leaders. Certificates are awarded for each of the three levels of ministerial studies. Consult the Diploma Requirements section of this catalog for specific requirements for each of these diplomas.

Berean School of the Bible also offers programs in Spanish. For more information please visit our website, call, or write to request a Spanish catalog. (Students must complete at least 50 percent of their courses in the same language in which their diploma or certificate will be issued.)

Academic Affairs Committee

The Global University Academic Affairs Committee is composed of the provost, the vice provosts, the executive vice president, the vice president of the International Network Office, the deans of the schools, and the directors of academic service areas.

The primary function of the Academic Affairs Committee is the oversight of the educational standards and procedures that apply to the various Global University curricular programs. The Academic Affairs Committee is responsible for decisions that affect the curricula, the faculty, instructional methods and delivery, and graduation requirements.

Of special concern to the Academic Affairs Committee is the recognition of Global University's academic credits, diplomas, and degrees. The committee seeks to maintain the recognition by assuring that instructional materials and programs meet high-quality standards. To this end, the committee reviews and approves all educational materials in print, audio, CD-ROM, video, and online delivery formats.

Regional Coordinators and National Representatives

Global University operates worldwide through a network of regional offices that assist national offices. Regional coordinators and national representatives promote, supervise, and coordinate the work of the university within a designated geographical area. They, along with the national

office staff, encourage students to pursue and achieve academic excellence.

The Global University Board of Administration and the regional coordinators form the Global Leadership Council. This council, with the assistance of the International Office staff, meets biennially to review past achievements and develop procedures, goals, and strategies to promote continued improvement and growth.

University Faculty

Individuals who serve Global University as faculty are included in the following two categories:

Resident Faculty

Global University resident faculty are those academically qualified individuals serving at the International Office whose activities consist primarily of writing, developing, and facilitating courses.

Adjunct Faculty

Adjunct faculty are academically qualified individuals throughout the Global University network who periodically write, facilitate, and evaluate Global University courses in field settings or serve as tutors for students studying independently with the university.

UNIVERSITY STANDARDS

Basic Standards of Academic Integrity

Registration at Global University requires adherence to the university's standards of academic integrity. Many of these standards may be intuitively understood and cannot in any case be listed exhaustively; the following examples represent some basic types of behavior that are unacceptable:

1. Cheating: (a) using unauthorized notes, aids, or information when taking an examination; (b) submitting work done by someone else as your own; (c) copying or paraphrasing someone else's essays, projects, or other work and submitting it as your own.
2. Plagiarizing: submitting someone else's work and claiming it as your own or neglecting to give appropriate documentation when using any kind of reference materials. Plagiarism, whether purposeful or unintentional, includes copying or paraphrasing materials from the study guide, textbook, someone else's writing, or any other source (published or unpublished). Any words, thoughts, or ideas taken from any other source must be properly documented according to the *Global University Undergraduate Form and Style Guide*.
3. Fabricating: falsifying or inventing any information, data, or citation.
4. Obtaining an unfair advantage: (a) stealing, reproducing, circulating, or otherwise gaining access to examination materials prior to the time authorized by the instructor or examination supervisor; (b) unauthorized collaborating on an academic assignment; (c) retaining, possessing, using, or circulating previously given examination materials where those materials clearly indicate they are to be returned to the examination supervisor or to the Global University offices at the conclusion of the examination.

Disciplinary action for not maintaining basic standards of academic integrity may range from lowering a grade for a paper to dismissal from the program, depending on the severity of the offense.

Code of Conduct

Global University is a Christian educational institution aiming to, among other things, equip students to fulfill God's calling on their lives. Christian conduct is therefore an expected norm. While Global University reaches many cultures around the world, it is understood that some practices acceptable in one culture may not be acceptable in another.

As Christians we look to the Scripture to guide our conduct. Therefore, students are expected to conduct themselves according to biblical principles of behavior. Examples of such principles are found in Romans 12:9–21; Galatians 5:22–23; and Ephesians 4:1–3, 25–32. The Code of Conduct also applies to verbal and written communication with Global University representatives, faculty, staff, and students.

Furthermore, it extends to all electronic communication, including threaded discussions and e-mail with faculty and students.

Violation of the Code of Conduct may result in disciplinary action, including dismissal from the program.

Global University also wants each student to be aware of our Statement on Marriage, Human Sexuality, and Gender Identity that can be viewed at www.globaluniversity.edu. Simply select "About" from the top menu.

Due Process of Student Rights

In all cases involving academic dishonesty, the student charged or suspected shall, at a minimum, be accorded the following rights:

1. Prompt investigation of all charges of academic dishonesty, to be conducted, insofar as possible, in a manner that prevents public disclosure of the student's identity. Such investigation may include informal review and discussion with an official of the school prior to bringing a charge, provided that such review does not compromise the rights of the student in the formal process.
2. Reasonable written notice of the facts and evidence underlying the charge of academic dishonesty and of the principle(s) of academic integrity said to have been violated.
3. Reasonable written notice of the procedure by which the accuracy of the charge will be determined.
4. Reasonable time, if requested, within which to prepare a response to the charge.
5. A hearing or meeting at which the student involved may be heard and the accuracy of the charge determined by a neutral decision maker.
6. Review of any adverse initial determination, if requested, by an appeals committee to whom the student has access in person. Generally, implementation of sanctions will be suspended until all appeals made by the student have been exhausted.
7. Final review of an unsuccessful appeal, if requested, by the president or an advisory committee designated by the president.

Policy for Filing Student Complaints

Global University assures the public that its philosophy is to be responsive to any student complaint. Historically the university has received very few complaints, and those that it has received have been resolved to the student's satisfaction in every case.

A student wanting to file a complaint or grievance should first follow the steps outlined in the section immediately below, titled "Tracking and Addressing Student Complaints." Global University will do everything in its power to resolve the complaint as expeditiously as possible.

In the event that the student wants to contact higher authorities, he or she may do so at the state and accrediting agency levels. Below is information regarding these levels.

The Missouri Department of Higher Education (MDHE) serves as a clearinghouse for postsecondary student complaints. The MDHE complaint policy contains information about the complaint process and includes instructions about filing a formal complaint. Note that the policy provides that a student who wants to file a complaint with the department must first exhaust all formal and informal avenues provided by the institution to resolve disputes. The MDHE complaint policy can be accessed at <http://dhe.mo.gov/documents/POLICYONCOMPLAINTRESOLUTION.pdf>.

The Higher Learning Commission (HLC), Global University's regional accrediting agency, can also receive student complaints. The Commission can be contacted at the following website: <http://www.ncahlc.org/HLC-Institutions/complaints.html?highlight=Wyjbb21wbGFpbmQiXQ==>

Please note that the HLC expects complaints and grievances to be first resolved at the institution level, and complaints should only be directed to the HLC if they are deemed to affect an institution's accreditation.

Global University has been approved as a participating institution in the National Council for State Authorization Reciprocity Agreements (NC-SARA). If, after following the sequence referred to above, you still do not feel your complaint has been resolved to your satisfaction, and if the state in which you live is a SARA member state (go to www.NC-SARA.org, click on "states"), you may appeal to the portal agency of your state (see <http://nc-sara.org/content/state-portal-agency-contacts>). The SARA complaint process can be found in the SARA Policies and Standards at <http://nc-sara.org/files/docs/FINAL%20SARA%20General%20Policies%20released.pdf>.

Tracking and Addressing Student Complaints

Global University takes complaints and grievances seriously. The Department of Student Services, of GU's Academic Affairs Office, maintains and monitors a complaint or grievance file. The complaints received usually belong in two general categories: (1) the course content or (2) the course delivery and support system.

- Complaints relating to course content are referred to the University Materials Development (UMD) Department and to the Professor of Record (PoR) for the course. A student representative will then contact the student with an answer to the student's question(s) or with a solution to the student's problem.
- Complaints relating to the delivery and support system are handled through the Student Services Department.

A student representative will contact the student to resolve the difficulty. In some cases, this leads to the establishment of new policies or procedures to improve the delivery system for all students.

In more difficult or complex situations, especially those involving problems spanning more than one department, the complaint is referred to the provost. As necessary, the Academic Affairs Committee will also become involved to resolve student complaints in a timely and satisfactory manner.

A student can file a grievance with Global University by choosing any one of the following three contacts:

1. A student may contact a Global University faculty member or national office staff member by e-mail, phone, fax, post/mail, or in person. Often, problems are easily resolved at this level.
2. A student may contact the Student Services Department of Global University by e-mail, phone, fax, post/mail, or in person. Student Services personnel are trained to resolve student concerns.
3. A student may contact any administrator of Global University by e-mail, phone, fax, post/mail, or in person. In these cases, the matter typically will require a period of investigation in order to be resolved.

Once a concern, complaint, or grievance is received, every effort will be made to resolve the issue personally and quickly. Should a student not be satisfied with the resolution, the student can appeal the decision to the International Office of Global University and directly to the Provost's Office. Should a student not be satisfied with the resolution, the student can contact the Provost's Office and request that the issue be addressed by the Global University Academic Affairs Committee. The decision of the Academic Affairs Committee will be deemed final.

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. These rights include:

1. The right to inspect and review education records within 45 days of the day Global University receives a request for access. Students should submit to the registrar a written request that identifies the record(s) they wish to inspect. The registrar will make arrangements for access and notify students of the time and place the records may be inspected. In place of inspecting the record(s), students may request that records be copied and mailed to them. In this case, students will pay postal costs and a copy fee of 15 cents (United States currency) per page.
2. The right to request the amendment of education records students believe are inaccurate or misleading. Students may ask the university to amend a record they

believe is inaccurate or misleading. They should write to the registrar, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested, the university will notify students of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to students when they are notified of the right to a hearing.

3. The right to request in writing that certain directory information only be disclosed with the student's written consent. Unless otherwise requested, directory information such as the student's name, mailing address, dates of attendance, enrollment status, graduation status, and other institutions attended may be released without written consent. Non-directory information such as student ID number, Social Security number, date of birth, e-mail address, phone number, and grades may only be released with the student's written consent except where FERPA authorizes disclosure without consent. Exceptions include disclosure to federal, state, and local authorities as

well as school officials with legitimate educational interest. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support staff position; a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

The student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by GU to comply with the requirements of FERPA. Here are the name, address, and phone number of the office that administers FERPA:

INSTRUCTIONAL TECHNOLOGY AND RESOURCES

Internet Courses

Most of the Berean School of the Bible courses are available online and in electronic formats (PDF, ePub, and Kindle). Students may utilize the interactive course materials in addition to or in place of the print materials. Exams may be taken online, even if the student chooses to use the print version of the course. The online testing option provides immediate access to the student's grade as well as feedback on the concepts the student has not mastered.

Other levels of study are also available. Students who have questions about what it means to be a Christian can access courses through our Globalreach.org site. For those seeking college credit, several undergraduate courses are available online as well. For further information about Internet options, visit us online at www.globaluniversity.edu.

Digital Courses

Global University has partnered with Logos Bible Software to provide revolutionary digital study tools. This partnership allows students to study Berean School of the Bible courses inside a powerful digital library system. The digital study system not only greatly enhances the initial learning experience but also provides lifelong learning and ministry-enablement tools. For more information about digital study and the Logos Bible Software, visit www.globaluniversity.edu.

Library Resources

The Global University library, located within the International Headquarters in Springfield, Missouri, is a collection of both print and electronic resources that support the curriculum of the programs offered by the university. The library, which may be utilized for general research, is comprised of more than 25,000 volumes, including books, reference materials, periodicals, maps, microfiche, audio and video materials, and vertical files.

The Global University Library provides valuable online resources such as e-books, CREDO Reference, Encyclopedia Britannica Online Academic Edition, Academic Search Elite, and American Theological Library Association (ATLA) databases. These resources provide GU's undergraduate and graduate students access to thousands of peer-reviewed journals, as well as general reference resources.

Although those licensed resources are not available to Berean School of the Bible students, there are open access databases and journals, as well as other websites cataloged in the A-Z Database List that BSB students can access.

Library resources can be accessed via the Global University's website at www.library.globaluniversity.edu. The online chat and e-mail "Ask-A-Librarian" features enable students to direct their research questions to a Global University reference librarian. Through technology, GU is continually expanding the distance-learning experience for its students.

FINANCIAL INFORMATION

Global University operates as a not-for-profit institution. Students are charged no more than what is necessary to provide the appropriate educational services of distance learning. Due to changing economic conditions, the university reserves the right to revise charges as deemed necessary. However, every effort is made to keep costs as low as possible.

Fees and Tuition

Students enrolling in Berean School of the Bible courses for the first time are required to pay a one-time application fee. Course tuition and materials prices are listed on the Berean School of the Bible order form. Adult continuing education course tuition includes all student services such as grading of examinations and service learning requirement reports, responses to student inquiries regarding course content, and maintenance of student transcripts.

Other miscellaneous fees that may be incurred in addition to the one-time application fee and the course costs described above include the program completion fee, diploma replacement fee, exam retake fee, enrollment extension fee, and expediting fee.

Cancellation and Refund Policy

Global University will not refund an application fee if the applicant makes the refund request more than five (5) business days after GU receives the application. A student can cancel a course enrollment within five (5) business days of the enrollment and receive a full refund, excluding shipping and handling fees. The student may communicate his or her cancellation online (go to “Documents and Forms” on the Berean School of the Bible page of GU’s website).

If a student cancels a course enrollment at a time beyond five (5) business days of his or her enrollment date and until six (6) months from the enrollment date or until the time he

or she has received the final exam, the school will retain a 50 percent registration fee. If the student communicates his or her cancellation beyond six (6) months of the enrollment date, no refund will be given. In regard to course materials, refunds will only be given for textbooks that are returned in resalable condition. However, a 20 percent restocking fee will be charged for returned textbooks. No refunds will be given for GU Independent-Study Textbooks or Study Guides.

Please report any discrepancies with the order within thirty (30) days of the invoice date.

SERVICES, POLICIES, AND PROGRAMS

Academic Counseling

While Berean School of the Bible strives to provide as much assistance as possible in the planning of educational programs, students are responsible for the proper completion of all required coursework. Berean School of the Bible personnel may advise and assist students in establishing educational goals and in planning a proper sequence of classes. However, it is the interest and self-discipline of students that will determine success in meeting those goals.

Student Status

Students may have as much time as they need to complete Berean School of the Bible programs. However, if there is no activity (enrollment or completion) on a student’s record

for 18 months, the student is moved to inactive status. If the student chooses to resume studies at a later date, he or she may find that some program requirements have changed and additional coursework may be required.

Time Limit for Completing a Course

The time limit for completing a Global University Berean School of the Bible course is six (6) months from the date the order is processed by Global University. Students are expected to complete their studies within this prescribed length of time. However, where circumstances merit, an extension of up to six (6) months may be granted upon request. A processing fee is required for the extension. Additional extensions are not permitted.

Examinations

Mastery of a course is determined by the successful completion of examinations. Successful completion means the student has earned at least 70 percent of the points available for the course. Chapter review tests (called “Test Yourself” at the end of each chapter) and unit progress evaluations (usually located in the back of the IST) should be completed before the student proceeds through the remainder of the course. These evaluations are self-graded and are meant to help the student assess his or her mastery of the course. The answer keys for each course’s chapter tests and unit progress evaluations are usually located in the back of the IST. (In the previous curriculum, a mid-course evaluation was included within the course’s Study Guide, and its answer key was printed at the back of the Study Guide. Seven of these courses are still being studied and serviced.)

A final examination is required for every course. The examinations are to be taken closed-book (without the use of books, Bibles, notes, or other materials). If a student fails an examination, he or she is allowed one retake and is charged a retake fee. An alternate exam will be administered for the retake. The score received on the retake examination, whether higher or lower than the original exam score, is the final score. If a student fails the retake exam, he or she must re-enroll in the course by paying the current tuition fee and then pass the final examination in order to receive credit for the course.

All Berean School of the Bible ministerial examinations are offered via the Internet. The online examinations allow students to receive their final exam grade within seconds of completing it. Visit www.globaluniversity.edu for information about online examinations.

Berean School of the Bible Grading System

Berean School of the Bible grades courses based on the following scale.

90–100%	A	4.0	Superior
80–89%	B	3.0	Good
70–79%	C	2.0	Satisfactory
0–69%	F	0.0	Fail

Recommended Reading

A supplementary reading text is recommended for each of the Berean School of the Bible courses. Although these texts are not required, students are strongly encouraged to acquire and read these textbooks as part of completing each course. The recommended reading textbooks can be purchased through Global University.

Service Learning Requirements

Most Berean courses require a service learning requirement (SLR) assignment. (The older courses do not have SLRs.) This is an opportunity for the student to practice in ministry the concepts being learned. The assignment report form must be submitted to Global University. A grade for the course will not be assigned until the student has satisfactorily completed this assignment.

Transcripts

An official transcript of all work completed through Berean School of the Bible is maintained and is available upon request and/or authorization of the student.

For the convenience of our students, a Transcript Request Form is available on Global University’s website. Please include the following information when requesting a transcript: name and address at the time of enrollment, present name and address, any addresses used since enrollment, student number, Social Security number, the date of the last course completed, the name and address of the individual to whom the transcript is to be sent, and the student’s signature. If you have ever studied through a study group, be sure to include the name of the church and the city and state where the study group was located.

When requesting a transcript via e-mail, the e-mail address from which the request is sent must match the student’s e-mail address on file at Global University.

Transfer of Credit

Credit for work done in other Bible colleges of recognized standing will be transferred where such work parallels courses required in a student’s program at Berean School of the Bible.

The student should request that the other academic institution send an official copy of his or her transcript directly to Berean School of the Bible. This transcript and other pertinent documents should be on hand at the time of the application. Transcripts may be submitted in either English or Spanish. Transcripts that are issued in any language other than English or Spanish must be accompanied by an official translation into English.

No more than 50 percent of the courses required for a diploma or any credential level may be transferred into a student’s program. Transfer credit is granted only for courses in which a grade of “C” or better (2.0 on a 4.0 scale) has been earned. Courses in which a grade of “pass” is received must be certified by the school as being equivalent to Berean School of the Bible’s standard for a “C” or higher to be accepted in transfer. In all cases, Berean School of the Bible reserves the right to determine whether it will accept transfer credits from another academic institution.

Student Inquiries and Comments

Students may submit questions at any time during their coursework. Each question is answered personally after research by a full-time faculty member of Berean School of the Bible. Students may comment or ask questions electronically. Access your course online through the Student Portal at www.globaluniversity.edu and utilize our “Ask the Professor” feature. You may also e-mail your questions to bsbcontent@globaluniversity.edu.

Programs Offered

Berean School of the Bible offers adult continuing education programs leading to diplomas and certificates. Diplomas are offered in (1) Ministerial Studies, (2) Ministerial Studies with Leadership Honors, (3) Bible and Doctrine, (4) Royal Rangers Organizational Leaders, and (5) Church Ministries. Certificates are offered for (1) Ministerial Studies Level One, (2) Ministerial Studies Level Two, and (3) Ministerial Studies Level Three.

Study Groups

Global University provides the opportunity to bring the benefits of group study to students in the local church or district setting. Local churches have the option of registering as a Berean study group. District council offices may partner with Berean to offer a District School of Ministry. When the

biblical content and practical training in the course materials are combined with the experience and dedication of local leaders, the student receives the benefits of the classroom plus the systematic and practical instruction in the Berean courses. Students studying in the local church also have the opportunity to immediately apply the concepts they are learning as they minister in their churches and communities.

A study group is not an extension site where students are taught by a professor provided by the home campus. It is a group of students who enroll in a course together and are guided through that course by a local facilitator.

Students who desire to study in a group setting are encouraged to consult with local church leaders about starting a Berean study group in their church.

Pastors interested in learning more about the church-based Berean study groups may contact Global University or download a *Berean School of the Bible Study Group Procedures Manual* from www.globaluniversity.edu.

Instructional Facilitator’s Manuals

Instructional Facilitator’s Manuals (IFMs) are available for many of the Berean School of the Bible courses. These manuals include lesson plans, discussion questions, and teaching aids to assist students who study in groups. Contact our Student Services office for further information.

A LETTER FROM THE DEAN

Following God's leading is the most exciting adventure in our lives. Whether He is calling you to serve as a credentialed minister, a lay leader, or a volunteer in your local church, a surrendered life in His hands allows light to invade darkness, advancing the kingdom of God.

Whatever your unique ministry calling is, preparation is essential, and responsible servants take the time to prepare. Berean School of the Bible will equip you for service through an educational program that is convenient, applicable, and accessible to your life's schedule.

The Berean program is convenient for students studying individually and for students studying in groups at a local church. Distance learning allows you to study at your own pace, without residential classroom attendance. For students who prefer to study with others, many local churches have established Berean study groups. If your local area does not have a study group, we can tell you how your church can begin one. We even offer Instructional Facilitator Manuals (IFMs) to make it more convenient for local churches to facilitate Berean courses.

We understand that ministry is happening *now* in your life, so we designed a Berean program applicable to your ministerial context. The concepts and principles you learn from our curriculum will equip you with practical knowledge of the Bible, theology, and ministry. For instance, our service learning requirement component is an opportunity to immediately put what you are learning into action.

You can also access our courses in several different formats. If you enjoy a hard-copy book in your hands, you can order a printed copy of our courses. Or, in the midst of a full work week, you may need your courses on the go. In that case, download our digital courses with the necessary files for your e-reader devices. You can also study online; log in to the Student Portal and access your courses 24/7.

We are here to partner with you so that you will be equipped and empowered to do what God has placed on your heart.

In His service,

Steven D. Handy

Dean

Berean School of the Bible

DIPLOMA REQUIREMENTS

Global University's Berean School of the Bible provides Bible and ministry education and training at an adult continuing education academic level. As such, Berean courses do not earn college credit. However, courses may transfer as credit into a Global University undergraduate degree program under strict guidelines. The student should contact Global University to determine if his or her completed Berean courses are eligible for transfer as college credit.

At least 50 percent of a student's coursework must be completed through Berean School of the Bible in order to earn a BSB certificate or diploma.

Diploma and Certificate Programs

The diploma and certificate programs described below are intended to prepare students for various levels of ministry, including both credentialed and lay ministry roles in the church.

The overarching goals for the diploma and certificate programs include demonstrated achievement at the adult continuing education level in the following areas. After successfully completing the Berean program, the student will be able to:

- Demonstrate basic proficiency in Bible study methodology, especially as this discipline contributes to sermon preparation.
- Demonstrate a practical knowledge of the organization and basic content of the Old and New Testaments.
- Demonstrate a thorough knowledge of the theological principles and doctrines that serve as a foundation of Pentecostal Christian faith.
- Apply relevant fundamental biblical and theological principles in local ministry contexts. These principles include management of interpersonal conflicts, a standard of exemplary ethical conduct, and the servant-oriented use of spiritual authority.
- Demonstrate fundamental proficiency in a variety of pastoral leadership functions, including ecclesial responsibilities, preaching, administration, and chairing meetings.
- Continue the appreciation and practice of lifelong learning.

The student who progresses through the levels of the program will show increased ability in these areas. The strategies used to assess the achievement of these goals include end-of-course examinations, service learning requirement ministry reports, credentialing examinations with the parent denominational organization, and graduate follow-up survey results.

Ministerial Studies Program

One of the primary purposes of Global University's Berean School of the Bible is to provide training for ministerial candidates who are unable to attend a residential Bible college. Ministerial training is also available through Global University's Undergraduate School of Bible and Theology for degree credit. The Berean School of the Bible Ministerial Studies Diploma is available in Spanish. For more information, request a copy of our Spanish catalog. Students must complete at least 50 percent of their courses in the same language in which their diploma or certificate will be issued.

If you are preparing for ministerial credentials with the Assemblies of God, contact your district office. Your district may have specific requirements that differ from the requirements listed here. Ministerial credentials are issued by the General Council Credentials Committee upon recommendation of the appropriate district, **not** by Global University.

Action by the General Presbytery of the Assemblies of God has periodically changed course requirements over the years for the Ministerial Studies Diploma. Any student who began a program level under earlier requirements may be allowed to complete that level before moving to the current program requirements. If you have any questions related to completing earlier program requirements, please contact Global University.

If you live in the USA but are not affiliated with the Assemblies of God, you may elect to substitute THE 411 *The Church: Pentecost to the Reformation* for THE 142 *The Assemblies of God History, Missions, and Governance*. All other diploma program courses are required.

If you live outside the USA, contact the national church in your country to determine what courses might be used to meet training requirements in your country. Completion of the Ministerial Studies Diploma as described here does not guarantee you will meet specific requirements in your country. Neither does meeting these requirements qualify you for ministerial credentials in the USA if you do not live in the USA.

Ministerial Studies Diploma

Upon completion of the Ministerial Studies Diploma (including all three levels of study), the student will have met the minimum academic requirements to apply for the ordination process with The General Council of the Assemblies of God USA. Successful completion of the Ministerial Studies Program (or any

individual level) should prepare the student for credentialing interviews and tests. The student will have mastered basic Bible content (Old and New Testaments), theological principles, and practical ministry skills for service in a church leadership position. Ministerial credentials are **not** issued by Global University. Global University recommends that ministerial students contact their Assemblies of God district office to inquire about the credentialing requirements and process.

COURSE DESCRIPTIONS

Explanation of Course Numbering

The following course descriptions are grouped into four divisions:

- MIN = Ministry/Practical Theology
- CAP = Capstone Projects

Continuing Education Units (CEUs)

Continuing education units are a nationally recognized standard used by the educational community to measure participation in learning activities. Global University has followed acceptable guidelines in determining the number of units that can be earned by the completion of each course. The relative significance and approximate amount of time required to complete each course are indicated by the number of units; these units cannot be equated with college credits.

Course Materials

Materials required: When you enroll in a course in the ministerial sequence, you will receive an Independent-Study Textbook (IST). This comprehensive textbook is your teacher, textbook, and study guide in one package. The last section of the printed IST is the Essential Course Materials (ECM) containing unit progress evaluations (UPEs), answer keys, the service learning requirement (SLR), and other instructional aids.

Other courses not in the ministerial sequence do not have ISTs, ECMs, UPEs, or SLRs. Instead, a Study Guide (SG) and a separate textbook are the required study materials for each of these nine courses. In the middle of these SGs is a midcourse evaluation—a self-graded test to check your progress in

the course. The Study Guide provides additional teaching, reading assignments, and study questions as it leads you through the textbook.

Materials recommended: Global University and the Assemblies of God executive leadership strongly recommend students acquire and read the recommended textbooks for each ministerial sequence course. Not only will this reading enhance learning in the subject, but these books will also provide valuable resources in later ministry.

The Instructional Facilitator’s Manuals (IFMs) listed with some courses are described in the catalog section entitled “Services, Policies, and Programs.”

Most of the courses are available in digital format online, in various electronic formats, and in a digital library system package (through Logos Bible Software). If you choose to study using the Logos-based learning package, you will receive an entire library of Bibles and reference titles for your computer. Course materials are designed to interact with this library to add an enhanced dimension to your study. See our order form for pricing on digital resources.

Berean courses are available in various delivery formats. The following symbols appear within each course description to identify available formats for that course:

-  = Available in all digital formats, including online, Logos digital library, and electronic book form: PDF, ePub, and Kindle
-  = Available on the Global University website as an interactive online course
-  = Available as part of a digital Logos library system
-  = Available in electronic book form: PDF, ePub, and/or Kindle
