ROADMAP**

YOU CAN BE OUR NEXT GENERATION OF MINISTERS

What started as a tugging in your spirit has turned into a nagging feeling that won't go away. You want to explore this calling in your life, but you aren't sure you want to commit to a lifetime of service to God.

Reading the Bible offers a great source of information as the primary book of knowledge. Talking to your pastor provides another sounding board for your walk with the Lord.

Sometimes, you need a more formal education to focus your efforts and point your ministry in the right direction. Berean School of the Bible equips you by formalizing your education in various ministerial roles.

A STARTING POINT FOR MINISTERIAL CANDIDATES

Have you ever wanted to attend a Bible college but haven't been able to? Berean School of the Bible could be for you. The courses here won't count as college credit as a diploma or certificate.

College, unlike a full university program, offers a shorter course you can finish in less time than a more intensive four-year degree. If you choose to further your ministerial studies after you complete your diploma or certificate at Berean School of Bible, your coursework can help you prepare for more advanced degrees at Global University.

GOD EQUIPS THE CALLED

Your calling is not an accident. God honors all of His promises, including equipping His followers with the tools they need to fulfill their ministry work.

If you feel a calling to serve as a formal minister in an Assemblies of God Church, contact your district office to see specific requirements. Berean School of the Bible could help you earn a formalized diploma or certificate for various church leadership positions.

Six Pathways, Infinite Possibilities

The Assemblies of God offers three levels of recognition for five diploma programs at Berean School of the Bible. One certificate helps you become a better volunteer at your church.

The programs at Berean School of Bible prepare you for credentialed and lay ministry work in a local church. You'll demonstrate knowledge of the Bible, theological principles, and how to prepare sermons as this knowledge relates to your role as a church leader, whichever role you choose.

MINISTERIAL STUDIES DIPLOMA

One journey you may take is with the Ministerial Studies Diploma, which may qualify you for formal ordination in an Assemblies of God Church. After completion of this program, you should be equipped to apply to become a certified (Level One), licensed (Level Two), or ordained (Level Three) minister within the church.

You'll learn how to study the Bible critically, the history of the church, theological concepts, ministry skills, and administrative skills required for various ministerial roles in the church.

**MINISTERIAL STUDIES WITH
LEADERSHIP HONORS DIPLOMA**

Once you complete this program, you'll be credited with an **Intermediate Ministerial Internship (Level 1)** or an **Advanced Ministerial Internship (Level 2)**. Completion of **Level 3** could lead you toward the path of becoming an ordained minister based on local requirements.

BIBLE AND DOCTRINE DIPLOMA

Do you feel called to teach others about Jesus? Do you love talking about the Bible? Or maybe you just want a stronger biblical foundation.

This diploma prepares you to become a Sunday school teacher at a local church. You'll also have a greater sense of how to discuss the Gospel with family, friends, and neighbors. You may also elevate your own personal devotional life.

MOMENTUM TRAINING DIPLOMA

The Momentum Training Series offers various specialties, depending on where you feel drawn in your ministry. Perhaps knowing someone in your life has led you to serve in a particular capacity. Or maybe you have a loved one you are trying to reach. Are you a teacher who needs extra help in getting through to your students? Whatever your reasoning, a Momentum Training Diploma gives you additional tools for certain circumstances, particularly in a formal classroom setting.

This diploma can help you:

- Communicate more effectively with people who have disabilities.
- Create memorable classroom lessons.
- Mentor children who are new to God's message.
- Assisting children with listening and paying attention to the Holy Spirit.

ROYAL RANGERS ORGANIZATIONAL LEADERS DIPLOMA

You'll complete this program through a Royal Ranger ministry at a local church. The overall goal is to **enhance your leadership training in the Royal Rangers** with knowledge of basic Bible content, theological principles, and general ministry skills as you minister to groups of boys in your Royal Rangers group.

This program meets the educational requirements to become a Certified or Licensed minister if you choose to pursue these qualifications in your local church.

CHURCH VOLUNTEER SERVICE CERTIFICATE

Do you want to serve your local church in some capacity? Gain a strong footing in church doctrine while serving in an important volunteer role in your local church. Whether you love being an usher, greeter, prayer leader, or any other volunteer position, you'll have a better grasp of how to minister to those you serve.

GOD HAS A NEED FOR ALL PEOPLE IN ALL ROLES

Jesus has a purpose for everyone in His flock. No role in a church, from the door greeter to the senior pastor, is insignificant in the eyes of God. You never know how a smile at the door, a friendly “Hello” at school, or a hug for a neighbor can lead to them knowing Christ.

The Berean School of the Bible is designed to put in a place to help God’s people where help is needed most.
